

CPS-IoT Week 2025

May 6 - 9, 2025 Irvine, USA

SIGBED Student Travel Award

The CPS-IoT Week 2025 event is pleased to announce the availability of student travel awards supported by the ACM Special Interest Group on Embedded Systems (SIGBED).

Important Dates

Application Deadline: April 11, 2025, at 23:59 AoE

Notification Deadline: April 13, 2025

Eligibility

The travel grant awards funded by ACM SIGBED are open to both US-based and non-US-based students to attend ACM conferences.

Student recipients will be reimbursed (based on valid receipts) up to \$2,000 for their expenses (registration, airfare, and hotel) after the conference.

Note:

- The reimbursement limit may be adjusted based on the award budget and applicant location.
- Student authors who are presenting papers or having papers with acknowledged grants receive a low priority.

Postdoctoral researchers are not eligible for this scholarship.

All recipients of the student travel grant awards are required to register for the conference main program by the awardee acceptance deadline, at the full registration rate or student registration rate. The final award is contingent upon the recipient showing proof of registration.

How to Apply

[Required by deadline] To apply, complete the application form (<https://forms.gle/DBPGvnfTD4G58EoR6>, same form as NSF application form, please only submit one), which will collect the following items:

1. The student's information.
2. A cost estimation of attending CPS-IoT Week 2025.
3. Which conference(s) of the CPS-IoT Week 2025 the student will attend.
4. Detailed information from the student (see details below); and
5. The student's CV. Please upload a PDF file.
6. A recommendation Google form link will be sent to the student's advisor after the student submits his/her application form, it is the applicant's responsibility to remind the advisor and make sure that the recommendation form is submitted to complete the application (see details below).
7. Which travel award the student will be considered to: NSF, SIGBED (can be both).

The detailed information from the students are as follows:

1. Name of the student applicant and degree program enrolled this semester.
2. When applicable, the title(s) of the main program/workshop/Ph.D. forum/demo/poster paper(s) that has/have been accepted.
3. A brief summary of research interests and accomplishments to date.
4. A statement about why conference attendance is important to the student.

[Required by deadline] The advisor's recommendation Google form (<https://forms.gle/wGyz45d6D4dQ3VqD7>, same form as NSF advisor form, please only submit one) includes the following questions:

1. Confirmation that the student is a full-time student in good academic standing at the given institution.
2. Ways the student would benefit from attendance at the conference.
3. The strengths and potential contributions of the student.
4. Commitment to covering any expenses that are not covered by the travel grant.

Notification

Awardees will receive an email notification from the event. Presentation of the award will be made in the form of after-event reimbursement.

Additional Notes

- Please save all the original receipts. You need to upload them later.
- Contact Prof. Meiyi Ma (meiyi.ma@Vanderbilt.Edu) or Prof. Fei Miao (fei.miao@uconn.edu) for any questions.
